Claudio y Sandra saben que sus hijos tienen cualidades únicas que los separan de la media. Son especiales. ¿O no es así? Es cierto que tuvieron algunos problemas de conducta, que no hacen amigos fácilmente y que casi nunca los invitan a los cumpleaños. Mejor, ya que solo un buen padre sabe proteger a su hijo de un mundo monstruoso ¿O no es así?

Claudia and Sandra know that their children have unique qualities that distinguish them from the rest. They're special. Isn't that so? It's true they had some behavior problems, don't make friends easily and are seldom invited to birthday parties. So much the better. Only a good parent can protect his children from a monstrous world. Isn't that so?
